MARKET IS IRREGULAR

Smart Rally is Followed by Heavy Pressure.

NEW LOW PRICE RECORDS

No Alarm is Occasioned by Recommendations in the President's Message, But Tone is Encouraging. Bonds Are Easy.

(By Associated Press)

NEW YORK, Dec. 7.—Prices moved irregularly in the stock market today and while net changes were unimportant, the undertone reflected a condition born largely of an absence of investment demand. A heavy opening was followed immediately by a smart rally, but before noon the list was again under pressure and prices made new low records for the movement.

In the latter session practically all the lost ground was recovered fully, but the market then relapsed into extreme dullness, which continued to the end.

Further digestion of the president's message appears to have convinced Wall street's sober element that the recommendations contained therein are entirely in accord with the conservatism so often expressed by the administration and for the best interests of the financial, commercial and industrial worlds.

There was a recurrence of rumors dealing adversely with the state of trade in various lines, but this was offset in a measure by the reassuring statement of the chief reporter of the steel and iron industry. Notwithstanding that the present period is one of the dullness of the year, there exists a well defined impression that the propaganda of pessimism is being over in many quarters.

Shipments of currency to the South for account of local banks were made through the sub-treasury and the drain already sustained should in the natural course of events make for another loss of cash by the associated banks.

The bond market was easy. Total sales, par value, \$2,020,000. United States bonds were unchanged on call. Total sales for the week 782,200 shares, including: Amalgamated Copper, 36,500; American Smelting and Refining, 32,900; Chesapeake & Ohio, 10,100; Louisville & Nashville, 300; Norfolk & Western, 2,500; Reading, 152,700; Sloss-Sheffield Steel and Iron, 200; Southern Railway, 1,700; Southern Railway preferred, 700; Tennessee Copper, 1,000; Union Pacific, 127,900; United States Steel, 229,600; Virginia-Carolina Chemical, 1,900.

"WETS" EXPECTED TO WIN.

Battle Nears Close for Lynchburg Local Option Election.
LYNCHBURG, Dec. 7.—Although it is expected the "wets" will win in the local option election to be held here Friday, it is thought the vote will be close. Temperance leaders have been holding meetings in every section of the city.

The "wets" held their first public meeting tonight in the city auditorium, at which time John L. Lee and Randolph Harrison made speeches. At the same time in one of the larger churches Rev. George R. Stuart, the evangelist, talked to men. Mr. Stuart is billed to speak tomorrow night in the auditorium.

The Anti-Saloon League has had many speakers to address the voters, in addition to its quiet personal work, while the "wet" thus far have confined their canvass to quiet work with the voters who might be changed by argument. The campaign has not been bitter, despite the determined work of both sides. The city voted "dry" by a majority of 191 two years ago.

Telegrams and Cablegrams May be Sent by Telephone

ANOTHER STEP FORWARD

THE TELEPHONE AGAIN SUPPLEMENTS THE TELEGRAPH

At night, on Sundays, or on holidays, when your local Western Union office is closed, or if there is no Western Union office in your town, you may send a telegram or cablegram to any part of the world, even to ships at sea, by forwarding it by Long Distance Bell Telephone to the nearest "all night" telegraph office, and by paying the usual telephone toll charge.

To do this simply call "Telegram". The operator will connect you with "Long Distance" who will give you the telephone charge. If you are a Bell telephone subscriber the cost of both the telegraph and telephone messages may be charged to you, or to the addressee.

Telegrams addressed to you will be read to you over the Long Distance telephone by the Western Union company when your local telegraph office is closed, or if there is no Western Union office in your town, if you will pay the telephone toll from the nearest all night telegraph office.

This charge will be small since a number of additional "all night" telegraph offices have been opened to care for this service.

The telephone company, however, undertakes only to place the subscriber in communication with the telegraph office—it assumes no responsibility for errors in transmission.

TO TRANSMIT TELEGRAMS BY TELEPHONE SAY "TELEGRAM".

Are you a Bell Telephone Subscriber?
